## About Us

We're a group of driven people, charities and companies working together with the objective of bolstering Tijuana's health sector in order to combat the Coronavirus Pandemic. We are achieving this in 2 ways.

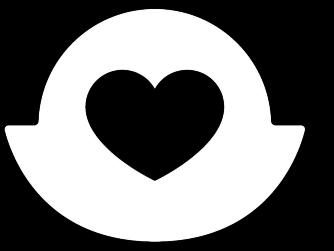

1. By supplying much needed PPE (Personal Protective Equipment) to medical professionals and staff.
- ~~2. By increasing the medical infrastructure capacity by 60 beds in a temporary hospital.~~ **Mission Accomplished!**
3. New Medical supplies and new challenges bring new necessities

## How are we accomplishing this?

By actively seeking out **donations** from proactive citizens, charities and companies who are seeking to bring their energy and resources to our community.

We are receiving donations in **money form** and donations in kind (materials and labor).

## Needs

We need your help collecting the following supplies in order to continue our mission of helping our medical personnel and our patients affected by COVID-19.

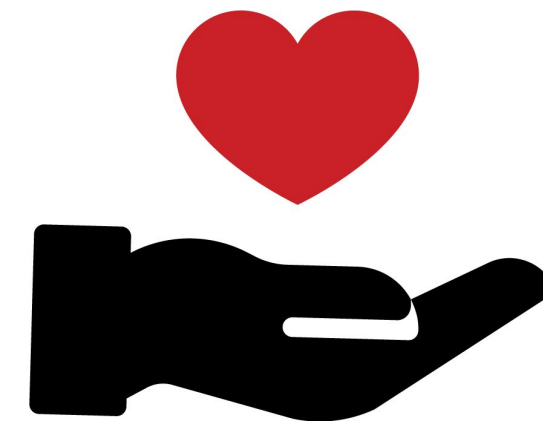

- More doctors
- Monetary donations
- Exhalation filters (vents)

# IMPORTANT ANNOUNCEMENT

As a result of the effort, control and monitoring of the Ministry of Health, **Zonkeys Auxiliary Hospital concludes its operation** due to the decrease in cases/patients that have been received in recent weeks.

However, the Let's Help Tijuana initiative and the Tijuana Zonkeys executive team have agreed that the facilities will continue as they are right now with O2 lines, compressed air, beds, air filtration systems and other important adjustments that will remain intact in case of being required again.

**Let's Help Tijuana will continue with the collection and delivery of protective equipment and other items for public hospitals and civil organizations.** This is because the Zonkeys Auxiliary Hospital only represents one wing of the double effort of Let's Help Tijuana, which will continue to supply medical equipment, food and hygiene products to the community.

# Control and Transparency

We are eternally grateful to the **Fundación Internacional de la Comunidad, A.C.** and the **International Community Foundation** for their great assistance in providing a transparent framework for the reception of all monetary donations. Every donation that enters Let's Help Tijuana is received by a bank account of this great organization that leaves complete clarity as to what monies enter our cause, and how that money is spent.

We also have the support of the International Firm of Public Accountants, **CROWE**, represented in the city of Tijuana by **GOSSLER, S.C.**, which will validate and attest to all the donations received as well as their use.
